12th Fundraising Tournament on June 11, 2015 brought Record Results of 5.500 Euro

This year's fundraising Golf tournament, which we held for the 12th time already, was once again a huge success. Each year the number of people attending is growing and with this the trust they have in the work of Chance auf Life e.V.

70 women played Golf while enjoying the wonderful weather. The joy of doing this for the kindergarten in a slum in Mumbai was accompanied by the ladies' huge motivation to donate. The total revenue of 5.500€ will maintain the kindergarten for another full year.

The prosperous development of the kindergarten is solely due to and made possible through the foundation of Bochum's Golf Ladies. Since then, the kindergarten has evolved to a pre-school, making it possible to support both boys and girls in the mornings and girls with their homework for school in the afternoons.

All participants enjoyed a wonderful summer night, laughs, smiles and good chats at the final get-together at the terrace. Rita Steinau wants to take this chance to send out a huge "Thank you!" to all Golf Ladies for their participation and financial support for the good cause.
